

SUPER HD

Citrus Concentrated Degreaser/Cleaner

DESCRIPTION:

Super HD is a highly concentrated natural citrus solvent cleaner, degreaser, deodorant, de-scaler and de-clogger. It is the most unique and versatile product ever developed. Super HD contains no petroleum distillates or chlorinated solvents and is 100% environmentally safe.

USES:

Super HD may be safely used as directed on carpets, sinks, toilets, fiberglass, machinery, tools, grills, ceramic tiles, concrete, graffiti, dumpsters, grease traps, all metals and much more

DIRECTIONS:

For General Cleaning and Deodorizing: Dilute 2 to 4 ounces of concentrate per gallon of warm water. Sponge or spray on to surface and allow dwell time for a few moments. Wipe clean with a clean cloth or sponge.

For Machinery, Engines, Rubber Burns, Graffiti and Heavy Industrial Cleaning: Dilute concentrate 6 ounces per gallon of warm water. Mop, spray or sponge onto surface and allow dwell time for at least 5 minutes. Scrub or brush thoroughly and rinse with clean water.

For Grease Traps: Add 6 ounces weekly to all drain openings and allow dwell time at least 10 minutes before flushing.

For Toilets, Sinks, Urinals, Shower Stalls, Bathtubs, Chrome Fixtures and Ceramic Tiles: Dilute 2 to 4 ounces per gallon and apply to surface, allowing dwell time. Rinse away all soap film, scale and grime.

For Carpets, Rugs, Upholstery and Fabrics: Dilute 6 ounces of concentrate per gallon of warm water. Apply with a sprayer or clean cloth. Do not over-wet. Gently work out gum, tar, grease oil, etc. Blot dry with clean cloth.

For Odor Control around Dumpsters, Garbage Disposals, Septic Tank, Sewage Plants, Kennels, etc: Dilute 4 ounces of concentrate per gallon of water. Spray or mop on to area to be treated and allow dwell time. Around sewage treatment plants, apply by the drip method or fogging. ***Note:** Pretest all plastic surfaces prior to use.

SPECIFICATIONS:

Appearance: Orange to amber liquid

Density, lbs/gal: 6.82

Specific Gravity: 0.8

Ph: Neutral

Flash Point: ° F 128

Odor: Citrus

Stability in Water: Miscible
