TNT HIGH PERFORMANCE
PREMIUM DIESEL FUEL

To get the biggest bang for your truck, use diesel fuel treated with:

**TOTALLY NEW
TECHNOLOGY**

With rising fuel and equipment costs, you owe it to yourself to burn the best fuel available.

This product will increase fuel economy and horsepower. Your equipment will run longer and stronger, and experience fewer problems with maintenance and downtime.

This unique additive package will also reduce emissions and problems with condensation.

TNT PREMIUM DIESEL FUEL

Used regularly, TNT Premium Diesel Fuel can offer the following benefits:

- *Increased cetane number*
- *Increased lubricity*
- *Contains HPCR Detergent Package*
- *Anti-Gel (where applicable)*
- *Moisture dispersants*
- *Corrosion inhibitors*
- *Lubricates the entire fuel system*
- *Prevents corrosion in tanks*
- *Reduces emissions*
- *Provides more power*
- *Improves the longevity of equipment*

And much more!

Do the math yourself. An average of a 5% increase in fuel economy, with less maintenance and downtime over an extended period will dramatically increase your bottom line profits. Tell your supplier you want only the best:
