

Enzyme Stain & Odor Remover

Odor & Stain Remover

DESCRIPTION:

General spotter for carpet, upholstery, fabrics and clothing. Advanced formula eliminates tough, stubborn odors and stains like: pet stains, urine, vomit, fruit juices, food spills and more. Neutralizes odors and odor causing proteins. Use as a spotter, pre-spray or add to a cleaning solution. Stabilized formulation containing specialized enzymes to eliminate organic stains and odors.

USES: For use on tile, carpet, laundry and upholstery.

DIRECTIONS:

Before Cleaning:

1. Spray stained area, covering stained area completely. Wait 3 minutes.
2. Blot or gently rub area with a clean, absorbent cloth. Repeat until stain is removed. Blot any excess moisture.... Wet area will dry to an invisible powder and can be vacuumed up next time you vacuum.

For best results:

1. Remove stains promptly after they occur and avoid over-wetting of carpet. Some stains will cause permanent discoloration even after cleaning. Do not mix with bleach or use in conjunction with any household products.

This Product is non-caustic, non-flammable and does not contain bleach or phosphorus.
